# Take Advantage of the Highest CGA Rates in Years

You can get fixed annual payments for life by making a contribution to Saint Peter's. Our charitable gift annuity (CGA) will pay you (and optionally another person) a fixed dollar amount when you make a gift to us. Rates are the highest they've been in years!

## Key Features:

- If you itemize deductions, you can take an income tax charitable deduction for part of your gift in the year the gift annuity is created. A sizable part of each gift annuity payment is also tax-free.
- You receive an attractive supplement to your retirement funds with no investment worries or responsibilities.
- With a deferred payment gift annuity, you make the contribution now, qualify for an income tax charitable deduction and we agree to make fixed annual payments starting at a later date.
